SUBJECT STRUCTURE & ASSESSMENT

ON-CAMPUS SUBJECTS

Each on-campus subject takes place over a total of **five (5) weeks**. On-campus subjects are typically* structured in the following way:

Week 1 Pre-readings and/or assessment tasks

Week 2 Five (5) days of face-to-face lectures and other learning activities, on-campus (9am - 5pm)

Week 3 - 5 Self-study and completion of assessments, supported by the lecturer and online resources.

*Some subject lectures may be scheduled differently. Students should always check the [online timetable](#) or the subject's Learning and Assessment Guide for clarification.

Students who are attending their first on-campus subject are encouraged to visit the Reception Desk on their first day of class. New students will have the opportunity to meet members of staff, take a short tour of campus, and have their photo taken and student ID issued.

If you would like to arrange a visit to campus prior to the commencement of your course, you are welcome to contact the Student Services Office directly to organise an appointment.

CHANGES TO ON-CAMPUS CLASSES DURING COVID-19

Due to COVID-19, NTI has implemented measures to reduce the health risk to students, staff, and the wider community. One of these measures is the temporary closure of NTI's physical campus. Due to this, all on-campus subjects will be delivered via **digital classrooms** until further notice.

Our digital classrooms aim to recreate the physical classroom experience, with no changes to subject content, duration, lecture dates, or timetable scheduling. The only difference being that intensive lectures usually held on-campus, will now be hosted via Zoom live learning sessions (from 9am – 5pm, including breaks).

Please note that there are no changes to the delivery of **online subjects**.

Students can contact Student Services for further information about digital classrooms. We look forward to welcoming you to NTI's digital campus!

ONLINE SUBJECTS

Online subjects take place over **ten (10) weeks** with readings, assessments, lectures, and learning activities taking place throughout this period.

Online subjects are delivered through NTI's online learning platform **NTiLearn** (accessible via the Student Portal). Further information about each online subject is outlined in each subject Learning and Assessment Guide.

While online students may not have the opportunity to visit NTI's physical campus, this Domestic Student Guide (and the online **Student Support Guide** available via through NTiLearn) outlines the ways in which students can connect with support staff.

Students can contact the Student Services Office for further information about studying online.

ASSESSMENT METHODS

Student learning is assessed through a variety of formats, depending on the learning outcomes of a subject/course, the purpose of an assessment, and the skills/knowledge a student is required to demonstrate. Assessment details are available in each subject Learning and Assessment Guide, accessible via **NTiLearn**. More information about NTiLearn is available below under the **Student Portal** section of this guide.

Assessment formats utilised by NTI include (but are not limited to): essays, quizzes, reports, literature reviews, peer-reviews, research projects, reflective journals, annotated bibliographies, case studies, debates, presentations, interviews, and self-assessments. Students may be required to complete assessments individually, or they may be required to work with fellow classmates to complete and submit work as a group.

Depending on the advice outlined in the Learning and Assessment Guide, students may be required to submit work in-class or upload them to NTiLearn. The due date, weighting, length, details, and marking criteria for each assessment is provided in the Learning and Assessment Guide.

If a student has any questions about their assessments, they can contact their subject lecturer or Head of Program for further clarification. Students can also receive assistance with their assessments from Academic Support Officers and peer-mentors (further information provided under the **Services and Facilities** section of this guide).

STUDENT ENROLMENT AND WITHDRAWAL

SUBJECT ENROLMENT

Domestic students may choose to enrol in either full-time or part-time study to complete their course with NTI. The standard full-time study load is eight (8) subjects per year, and four (4) subjects per semester ([Student Enrolment Policy](#)).

Students can view their course structure (the list of eligible core and elective subjects required to complete their course) in their **Letter of Offer**, or by checking your [course page on NTI's website](#).

Students enrolled in the Health and Social Wellbeing, Applied Buddhist Studies, or Humanistic Buddhism programs can submit a **Subject Enrolment Form** via the Student Portal, to enrol in subjects for an upcoming semester. Students enrolled in the Mental Health program can submit a **Mental Health Subject Enrolment Form** via the Student Portal, to enrol in subjects for an upcoming semester.

Students will receive an email confirmation from Student Services once their subject enrolment has been processed. All students are encouraged to contact Student Services if they would like any advice on subject selection and enrolment.

SUBJECT WITHDRAWAL

Students may withdraw from a subject/s by submitting a **Subject Withdrawal Form** via the Student Portal. Students will receive an automated email confirming the submission of their Subject Withdrawal Form, and a confirmation email from once their withdrawal has been processed.

Students may withdraw from a subject without academic or financial penalty if they submit a Subject Withdrawal Form by the subject census date (as per the [Fees, Charges and Refunds Policy](#)). NTI's Academic Dean may approve a student's late withdrawal from a subject in compassionate or compelling circumstances (as outlined in the [Fees, Charges and Refunds Policy](#) and the [Student Enrolment Policy](#)).

ENROLMENT SUSPENSION OR CANCELLATION

A student's enrolment in a course may be suspended or cancelled for reasons including, but not limited to:

- ❑ failing to comply with NTI policies
- ❑ gaining admission to an NTI course by submitting incomplete, inaccurate, fraudulent, or misleading documentation (as per the [Selection and Admissions Policy](#))
- ❑ failing to meet course progress requirements (as per the [Student Enrolment Policy](#))
- ❑ committing academic or non-academic misconduct (as explained in the [Academic Integrity Policy](#) and [Student Misconduct Policy](#))
- ❑ failing to pay part or all of tuition fees by the due date ([Fees, Charges and Refunds Policy](#))

Suspension is a temporary cancellation of a student's enrolment at NTI (for a period of no more than 12 months). Following a period of suspension, a student has the automatic right to resume their studies in their course (or equivalent course) with NTI.

Exclusion is the cancellation of a student's enrolment (for a period of no more than 24 months). Unlike a suspension, a student does not have the automatic right of re-admission to their course following their exclusion from NTI. If a student wishes to resume their studies after a period of exclusion, they must re-apply for admission to NTI following the procedures outlined in the [Selection and Admission Policy](#). A student's previous enrolment with NTI will not guarantee their re-admission to NTI.

Further information about enrolment suspension and cancellation can be found in the [Student Enrolment Policy](#).

DEFERRAL

Students who receive a Letter of Offer to study with NTI, but who wish to postpone (delay) starting their studies with NTI, can apply to defer their course. Students can defer the commencement of their course for a period of up to twelve (12) months.

To request a deferral, students must complete a **Deferment Application Form** and submit this to the Student Services Office. Further information about course deferral can be found in the [Selection and Admissions Policy](#).

Students with any questions about deferring their studies with NTI can contact the Student Services Office for assistance.

LEAVE OF ABSENCE

As outlined in the [Student Enrolment Policy](#), students enrolled in a course may apply to take a leave of absence from their studies. Leave of absence allows a student to take a break from their studies for a period of up to twelve (12) months, while maintaining their enrolment in their course.

To apply for a leave of absence, students must complete a **Leave of Absence Form** and submit the completed form (and any relevant supporting documentation) to the Student Services Office for processing.

Students who withdraw from all subjects in a study period without obtaining an approved leave of absence may have their enrolment lapse. Once their enrolment has lapsed, a student will be required to re-apply for admission to the course.

Students who take a leave of absence from their course for more than one (1) year should note that the course rules and conditions under which they originally enrolled may change during their period on leave, and that they may be subject to the rules and conditions as they apply at the time that they return to their course.

RECOGNISED PRIOR LEARNING

Students may apply to receive recognition of prior learning (RPL) to receive credit for previous formal or informal learning. The RPL process involves the assessment of relevant prior learning to determine the outcome of a student's application for credit (as outlined in the [Recognition of Prior Learning Policy](#)).

To apply for RPL, you must submit an **Application for Recognition of Prior Learning Form** and all necessary supporting documentation to the Student Services Office at the time of your application to NTI. RPL applications are assessed by your relevant Head of Program. You will receive written notification from the Student Services Office regarding the outcome of your RPL application.

STUDENT RIGHTS AND RESPONSIBILITIES

COMPLAINTS AND GRIEVANCES

NTI is committed to providing a safe, harmonious, supportive, and productive environment for all its students. NTI's student policies outline the complaint and appeal procedures related to various specific aspects of the student life cycle.

All students have the right to lodge a complaint or grievance with NTI if they have a concern or complaint about unfair treatment, discrimination, harassment, vilification and/or bullying. If a student has a concern or complaint that is not addressed within a specific NTI policy, they can report their grievance as per the process outlined in the [Student Grievance Policy](#).

There are three (3) stages to addressing a student grievance:

- an informal discussion: where a student will try to address the concern or complaint with the person responsible for the decision, action or behaviour that has caused the grievance.
- a formal review: where a student has attempted an informal discussion, but the grievance is not resolved, the student can lodge a formal written complaint with the President of NTI.
- an external review: where a student is unsatisfied with the formal review, they can refer the grievance to an external body for review.

For further information about complaints and grievances, students can read the [Student Grievance Policy](#).

ACADEMIC INTEGRITY

All students should familiarise themselves with NTI's [Academic Integrity Policy](#). This policy outlines NTI's commitment to academic integrity, the roles and responsibilities of students and staff in promoting academic integrity, and NTI's response to academic misconduct.

Academic integrity involves upholding ethical standards in all aspects of academic work, including learning, teaching, and research. It involves acting with the principles of honesty, fairness, trust, and responsibility, and requires respect for knowledge and its development.

Academic misconduct means any action or attempted action that may result in an unfair academic advantage to one or more students. Academic misconduct covers a wide range of behaviour and activities, including:

- Plagiarism
- Self-Plagiarism
- Collusion
- Cheating
- Any act or omission that can be regarded as academically dishonest

NTI has systems and processes in place to detect academic misconduct. If academic misconduct is detected, the matter will be investigated, and a student may be penalised depending on the severity of the academic misconduct. A student may appeal the outcome of an academic misconduct investigation.

Further details about behaviours and activities considered academic misconduct, the detection of academic misconduct, investigation and outcomes of academic misconduct reviews, and the appeals process are provided in the [Academic Integrity Policy](#).

NAN TIEN INSTITUTE'S VALUES

NTI's values, which we seek to nurture in our students, and express in both our academic life and the administration of NTI, are:

Compassion

Openness to and awareness of our interdependence with others; being present to others; empathy with and kindness to others, especially those who are suffering.

Wisdom

Inquiry, understanding and appreciation of the history and insights of traditions and disciplines of knowledge, not least Buddhism, and the social and health sciences; contemplation and deep reflection; the prudent application of what we learn.

Committed Service

A sense of vocation in the service of all living beings, and an ordering of our priorities and energy towards the needs of and opportunities for our community, our country, and our world.

Practice

Time for reflection and development of ourselves; mindfulness and concentration, moment to moment, day to day, to bring compassion and wisdom to each interaction with others; communicating truthfully, working harmoniously, doing no harm, and acting ethically in our professional roles.

FEES, CHARGES AND REFUNDS

NTI's tuition fees, non-tuition fees, and refunds are governed by the [Fees, Charges and Refunds Policy](#). All fees referred to or quoted are in Australian dollars (AUD).

TUITION FEES 2022

Tuition fees are charged per subject. Where a student remains enrolled in a subject after the subject census date, they will be invoiced for the subject. Students will be issued with an invoice in **Week 1** of each enrolled subject, to the email address they provide upon enrolment.

Penalties may be imposed on students who have an overdue debt with NTI, or who fail to pay all or part of their tuition fees by the invoice due date. Penalties for late payment are outlined in the [Fees, Charges and Refunds Policy](#).

Students should contact the Student Services Office with any questions or concerns about payment of tuition fees. Please quote the **invoice number** (in top-right hand corner of each invoice) when contacting Student Services about your tuition fees.

FEE-HELP

Eligible domestic students* enrolled in a postgraduate course with NTI can apply to defer their tuition fees via a **FEE-HELP loan**.

To apply for a FEE-Help loan, students should indicate on their NTI application form and/or on their acceptance form whether they wish to defer their tuition fees via FEE-HELP.

Upon accepting your offer to study with NTI, Student Services will initiate an **electronic Commonwealth Assistance Form (eCAF)** on your behalf. You will be sent an automated email with a link to complete your eCAF to the email address you provided upon enrolment. Please note that this automated email is issued by the **Department of Education, Skills and Employment**.

Students are advised that FEE-HELP loans only cover costs associated with tuition fees (they do not cover costs such as enrolment fees, accommodation, laptops, textbooks etc.).

*Students may visit the [StudyAssist website](#) for further details about FEE-HELP loans, including eligibility criteria, loan limits, loan fees, and pass rate requirements.

NON-TUITION FEES

REFUNDS

The [Fees, Charges and Refunds Policy](#) outlines the refund entitlements for domestic students. As outline in the policy, NTI will refund prepaid tuition fees to domestic students under the following circumstances:

TIMING & CIRCUMSTANCES OF WITHDRAWAL	REFUND ENTITLEMENT
Withdrawal or deferral before Census Date	Full tuition refund, no FEE-HELP debt incurred.
Withdrawal or deferral after Census Date	No refund entitlement
Special circumstances (student remains enrolled in the subject after Census Date but does not successfully complete the subject, including a fail grade). Students who defer/withdraw from the enrolment after the census date and meet special circumstances criteria (as per the Fees, Charges and Refunds Policy).	On approval – please refer to the Special Circumstances section of the Fees, Charges and Refunds Policy .

TIMING & CIRCUMSTANCES OF WITHDRAWAL	REFUND ENTITLEMENT
Where fraudulent, forged, incorrect or misleading documentation has been presented, and NTI withdraws the offer of admission	No refund entitlement
The course/subject is cancelled by NTI	Full tuition refund, no FEE-HELP debt incurred.
The course/subject fails to start on the scheduled timetable starting date	Full tuition refund, no FEE-HELP debt incurred.
The course/subject ceases before the completion of teaching	Full tuition refund, no FEE-HELP debt incurred.

To apply for a refund, students must complete a **Refund Request Form** and submit the completed form to the Student Services Office. For approved refunds, NTI will process the refund via the original payment method. A student is not eligible to apply for a refund of tuition fees if they have already successfully completed the related subject. Where NTI is not able to refund the credit to a student, and the student makes no contact with NTI, the credit is forfeited.

An explanation of ‘special circumstances’ is outlined in the [Fees, Charges and Refunds Policy](#). Students applying for a refund on the basis of special circumstances must submit documentation (original or certified copy) with their Refund Request Form to support their application.

If a student wishes for fees to be refunded to a third party (such as an employer), then the student must indicate this in the **Refund Request Form**, by ticking the “third-party” box. This means that the amount to be refunded will be refunded to the person indicated on the form (the “account holder”), and not to the student directly.

If a refund request is rejected, a student may appeal a refund decision. For an appeal to be considered, the student must:

1. Submit a written statement to the Student Services Office fully outlining the reason for the appeal within 28 days from the notice of the decision, and
2. Provide new and substantial evidence that has not previously been considered, and
3. Include documentary evidence to support the appeal.

Further information about tuition fees, non-tuition fees, and refunds is detailed in the [Fees, Charges and Refunds Policy](#). Students with any questions or concerns should contact the Student Services Office as soon as possible.

TUITION PROTECTION SERVICE (TPS)

In the unlikely event that NTI is unable to deliver your course, you are eligible to receive a full tuition fee refund, as stated in the [Fees, Charges and Refunds Policy](#).

FEE-HELP students are also protected by the Tuition Protection Service (TPS). The TPS is an initiative of the Australian government which provides protections for HELP in the event that their education provider defaults (ceases delivering a course or closes entirely).

Further information about the TPS is detailed on the [TPS website](#). Students can also contact the Student Services Office for further information about the TPS.

CRITICAL INCIDENTS

Critical incidents are traumatic events, or threats of traumatic events, that may cause extreme stress, fear, or injury to students (for example, serious injury/illness, hospitalisation, critical mental health episodes, missing persons and other serious concerns of student welfare).

Students can read the [Critical Incidents Policy](#) for more information about what to do if they experience an incident, and how to report an incident.

Any student who is experiencing a life-threatening critical incident, or who is in fear for their health and safety, should call **000** for emergency services (police, fire, ambulance).

Students who are impacted by a critical incident can report this to the [Student Services Office](#), NTI's President, or campus security. Students can report an incident at anytime, however, you are encouraged to report incidents within the first 24 hours so NTI can provide timely assistance.

NTI's President and the Student Services and Academic Support Manager will take all reasonable steps to secure the immediate safety and welfare of any students impacted by a critical incident. NTI staff aim to manage and resolve all critical incidents quickly and compassionately.

Students who report critical incidents will receive assistance from the Student Services and Academic Support Manager to arrange any necessary medical treatment and/or access to counselling services.

Students can contact LifeWorks counselling service, for six (6) free, confidential counselling sessions professionally (contact details provided below under **Counselling and Support Services**) at any time. Additional counselling sessions will be on a fee-basis and will be charged directly to the student.

If students require any assistance in contacting LifeWorks or alternative support services, they may contact the Student Services Office.

PREVENTION OF SEXUAL ASSAULT AND SEXUAL HARASSMENT

NTI is committed to ensuring that all members of our community feel safe and respected. NTI has a zero-tolerance policy regarding sexual assault and sexual harassment within or associated with the NTI community.

Any breach of NTI's [Prevention of Sexual Assault and Sexual Harassment Policy](#) by:

- Students: will lead to disciplinary action that may include cancellation of enrolment,
- Staff: will lead to disciplinary action that may include termination of employment, and
- Member of the public: will lead to disciplinary action that may include the involvement of local police.

NTI will provide assistance to all individuals who seek support or lodge complaints.

What is Sexual Assault?

In the state of New South Wales (NSW), **sexual assault** is considered a crime that occurs “when a person is forced, coerced or tricked into sexual acts against their will or without their consent, or if a child or young person under 18 is exposed to sexual activities” ([NSW Department of Justice](#))

What is Sexual Harassment?

“**Sexual harassment** is an unwelcome sexual advance, unwelcome request for sexual favours or other unwelcome conduct of a sexual nature which makes a person feel offended, humiliated and/or intimidated, where a reasonable person would anticipate that reaction in the circumstances” ([Australian Human Rights Commission](#)).

What is Consent?

Consent occurs when a person freely and voluntarily agrees to sexual intercourse ([NSW Department of Justice](#)).

A person cannot give consent when they:

- are asleep or unconscious,
- are significantly intoxicated or affected by drugs,
- are unable to understand what they are consenting to due to their age or intellectual capacity,
- are intimidated, coerced, or threatened,
- are unlawfully detained or held against their will,
- submit due to the person being in a position of trust.

You can watch this clip [Consent: It's Simple as Tea](#) (©2015 Emmeline May and Blue Seat Studios) for a simple explanation of consent.

Where can students go for help?

NTI encourages all students to reach out for help and supports any student who wishes to seek assistance, report an incident, lodge a formal complaint, and/or report a crime to NSW Police.

If you have experienced or witnessed sexual assault and/or sexual harassment we encourage you to report the incident immediately via the [Sexual Assault and Sexual Harassment Incident Form](#) or by contacting the [Student Services Office](#).

However, please note that you can choose to report incidents at any time, and you are under no obligation to initiate a formal complaint if you do not wish to. You are also able to report incidents anonymously if you prefer.

You may choose to disclose an incident of sexual assault or sexual harassment to any member of NTI staff, however, please see the table below for who can help you if you require specific support or help:
