Have you ever had a visa application to enter another country refused?	☐ Yes	☐ No

If you have answered YES to any of the above questions in this section, you must explain below:

- For which country
- The year of visa refusal or cancellation
- The reason for visa refusal or cancellation

SECTION 5 Purpose of applicant's studies in Australia

Please explain how your chosen course with Nan Tien Institute (NTI) is relevant to your previous studies, OR

If the course is not directly related to your previous studies, please explain how it is related to your most recent job/career in your home country, OR

If the course does not directly relate to your previous studies or your career, please explain how this course will benefit your future employment or career in either your home country or in another country (NOT Australia).

Please explain why you decided to study overseas, rather than study in your home country. Are there similar courses available in your home country?

Why did you choose Australia for your overseas studies? For example, why did you choose to study in Australia rather than the United Kingdom, Canada, New Zealand or the United States?

Which other courses and other Australian institutions/universities did you consider when researching your studies in Australia? Why did you finally choose NTI? Please include details of the course philosophy, content, length, delivery mode, location, and fees of the different institutions and courses you considered.

Please explain how studying with NTI will improve your career prospects, and how the costs of studying in Australia will be a worthwhile investment in your future. Include responses to these questions in your answer:

1. What job will you be seeking in your country, or another country, after you have finished studying at NTI?
2. What is the job market like for these kinds of positions?
3. What salary would you expect to be paid with an Australian qualification in your country, or another country?

What personal, family, employment, financial or community connections do you currently have in your home country?

SECTION 6 How will you fund you studies in Australia?

Please indicate how you will fund your studies in Australia (tuition fees, non-tuition fees, living expenses etc).

You must attach evidence of the relevant source of financial support when submitting your GS Assessment From. Financial documentation, or evidence of alternative means (such as a scholarship application, or an International Sponsorship Form) must be submitted prior to NTI issuing a Confirmation of Enrolment (COE).

- ☐ Through bank/financial institution savings?
- ☐ Through a government or bank/financial institution loan?
- ☐ Through a scholarship?
- ☐ Through government/organisation sponsorship?
- ☐ Other (please specify)

There are a number of ways that you can show you have enough funds to cover your expenses while studying in Australia. You can find more information by following going to the Department of Home Affairs website and reading the information provided under **Gather your documents > Evidence you have enough money for your stay.**

SECTION 7 What will you do after your studies?

Please explain what you plan to do after you finish studying your course with NTI? **Important note:** A student visa allows for your temporary stay in Australia to study for the period required to gain the qualification for which your Confirmation of Enrolment (COE) was issued.

APPLICANT DECLARATION
